The Forum will address the questions via our four speakers, followed by a panel discussion.

**1. THE INTERNATIONAL QUESTION:**

*As it reaches its 40th Anniversary, is the UNESCO Convention Concerning the Protection of the World Cultural and Natural Heritage still a convention for conservation? If it isn't, what is it now a convention for?*

**2. THE NATIONAL QUESTION:**

*If we look back on the last 40 years, what has Australia contributed to the international endeavour of World Heritage? What could Australia offer the world in the next 10 years?*

**3. THE COMMUNITY QUESTION:**

*Does the World Heritage Convention support communities in their endeavour to protect their heritage? Does the Convention and its operations provide benefits for communities?*
