

Have you seen the *Ethel* Shipwreck?

Heritage South Australia is looking for images and videos of the *Ethel Wreck* to create a time-lapse sequence of the ship since it wrecked on the Yorke Peninsula in 1904

For more information or to submit your digital photos or videos,
visit www.environment.sa.gov.au/ethel

If you have old photos, negatives, slides or film - we would love to see these also
and can convert these to digital!

(All physical media submitted will be returned)

When complete, the *Ethel* Time-Lapse Sequence will be available
for everyone to enjoy!

Don't be late – submit your imagery by **31 March 2020**
