Program launch 1 July 2020

TJC is pleased to be part of the thirteenth Open House Melbourne which will present the largest collection of virtual tours in Australia, enabling access to over 50 buildings from the comfort of your own home.

Our offerings will include a virtual tour, exhibition videos and a live guided tour by TJC Director | Curator Louis Le Vaillant. Stay tuned for more details.
This lecture will highlight some Melbourne gems of Modernism as depicted in the 2019 book *AUSTRALIA MODERN: architecture, landscape and design*, edited by Hannah Lewi and Philip Goad. Modern design, in all its forms from the iconic to the everyday, will be vividly discussed, as well as the driving motivations behind this publication.
